CYBERUK LEADERSHIP

THURSDAY 12 APRIL 2018

CYBERUK Leadership will set the agenda for UK cyber security, giving the leadership community the chance to debate priorities, challenges and opportunities.

This one-day event, aimed at decision makers - Board Members, Heads of Department, and C-level staff, will also provide NCSC with the opportunity to share their latest strategy and delivery plans.

The agenda for **CYBERUK Leadership** includes high-impact plenary keynotes and a series of streams led by NCSC Deputy Directors.
