KNOWLEDGE NUGGET: DAY 1 - BEING CYBER AWARE	
Topic	Cyber Security

Learning objectives	Success criteria

Students will…
• Learn 6 top tips of how to be Cyber Aware:
  ○ Use a separate password for email account
  ○ Use strong passwords
  ○ Save passwords in browser
  ○ Turn on two-factor authentication
  ○ Keep devices up to date
  ○ Back up data
• Take part in a cyber security quiz
	- Watching and understanding the video in its entirety.
	
	- Participating in the group quiz and follow on discussions.

Resources	**Suggested use of teaching time**
- Knowledge Nugget Video	Video – 9:30 minutes Cyber Quiz – 4 Minutes (included as part of the video)

Learning activity

The video will introduce cyber security and the NCSC's top tips for staying Cyber Aware. The video will talk through the importance of each tip and why it is good for students and their peers to implement.

The teacher can pause the video once the quiz question and answers have appeared on the screen, allowing students to discuss their answers before making their selection. The correct answers are provided as part of the video.

Evaluation and next steps

Follow up discussions:
What are the implications for you as an individual if a hacker gets access to your data/accounts?
How does this differ for individuals' vs businesses? Is the impact the same/greater and why is this?
