| <p>The video will introduce cyber security and the NCSC’s top tips for staying Cyber Aware. The video will talk through the importance of each tip and why it is good for students and their peers to implement.</p> <p>The teacher can pause the video once the quiz question and answers have appeared on the screen, allowing students to discuss their answers before making their selection. The correct answers are provided as part of the video.</p>                                                                                                                                                                                  |                                                                                                                                                                                 |  |
| Evaluation and next steps                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                 |  |
